

Penkridge Parish Council

Play Area Questionnaire

The Parish Council has the option to apply for a grant to refurbish or add new equipment to the Horsefair Play Area on Bellbrook. We want to consult with both parents and children on the type of equipment you would want and would benefit both children with disabilities and non-disabled children individually but also so they can all play together.

We are looking to compile all the information in time to apply for the available grants in August/September. We understand it would be ideal to have new equipment in time for the summer holidays but the whole process takes a considerable amount of time. The Parish Council have some ideas of play equipment but it is parents and children who use the parks that know exactly what equipment would be most beneficial.

Could we ask you complete the below and return to your school no later than **Monday 12th July**.

May we thank you for your help and hopefully we can get a grant to upgrade the Horsefair Play Area.

The type of equipment I would want and reasons why:
