

PENKRIDGE PARISH COUNCIL

# Climate Group

## BACKGROUND

The council has joined its voice with hundreds of other local councils to declare a climate emergency. In doing so it has also created a climate working group to help define the council's approach towards net zero carbon emissions.

## PURPOSE

The group will gather data around the council's current carbon emissions and look for feasible ways in which the council can commit to a net zero carbon emissions target. The group will meet once a month.

## GET INVOLVED

The working group is open to any resident wishing to help regardless of background. If you would like to get involved please contact the parish council at:

clerk@penkridgeparishcouncil.co.uk  
01785 714157

or apply at the Haling Dene Centre

**First Meeting: 20th October - 6:30pm - 8pm**

**Haling Dene Centre, Cannock Rd, Penkridge,  
Stafford ST19 5DT**
